Remarks

This charming ranch is full of opportunity and ready for its next chapter! Inside, you'll find original hardwood floors that add warmth and character throughout the home. The bright eat-in kitchen features white cabinetry and opens to the living room, creating a comfortable and functional space for everyday living. The spacious bathroom offers plenty of storage along with a relaxing jetted tub. Downstairs, the full basement provides endless possibilities-whether you're dreaming of a rec room, home gym, or extra living space. The location is hard to beat, just around the corner from Compton Park with baseball fields and tennis courts, and close to the expressway for easy commuting. With great bones and so much potential, this is a home you'll want to see for yourself.
